

3D2N DANUM VALLEY TREASURES TOUR PACKAGE

(DTS LDU002)

Sample Itinerary

Day 1

(Recommended flight MH3010 BKI ETD 06:10 HRS / LDU ETA 07:05 HRS)

Depart from Lahad Datu Hotels / Airport by 0830hrs and proceed overland journey drive via 4WD or van to Danum Valley Conservation Area. Enjoy the changing landscapes of the regenerating forests to virgin rainforests of 130-million year old Borneo's tropical rainforest! Upon arrival, register at DVCA Reception & Information Building and check-in after briefing by DVFC staff. Enjoy lunch provided at Dining Hall. After lunch, relax or take a mid-afternoon walk around the centre as an introduction to the tropical rainforest. The area surrounding the center teems with wildlife and it is not uncommon for you to spot resident orang utan, red leaf monkey, sambar deer, wild boar, hornbills etc. Return to center before sundown and enjoy dinner at 1900hrs. After dinner, free at your own leisure or arrange for an optional night walk / 4x4 night safari (at your own expense).

Day 2

Wake up early for an early morning nature and wildlife observation around the center. Alternatively, you can also pre-arrange a 4x4 drive to Bukit Atur and be one of the first to greet the first ray of the sun as it touches the valley – you may book with the Reception Office a day earlier (at your own expense). Return to center for your hearty breakfast and spend full day at your own leisure.

Return to center in late evening, just in time to witness the sky changes colour as the daylight fades. After dinner, free at your own leisure or arrange for an optional night walk / 4x4 night safari (at your own expense).

Day 3

(Guests are suggested to take flight MH 3017 LDU ETD 13:25 HRS / BKI ETA 14:20 HRS)

Breakfast at dining hall by 0730hrs, and pack your belongings for check out time at 0830hrs. Expected to arrive at Lahad Datu by 1100hrs for your onwards flight departure.

End of tour.

**** The itinerary provided should be taken as guideline only as much of your day-to-day program will be determined by weather, wildlife sightings and the utmost importance, your fitness ability.***
