VALID UNTIL 31 MARCH 26

Itinerary

DAY 1 - ARRIVAL INTO LAHAD DATU / TABIN NATURE RESERVE (Lunch, Dinner)

You will be picked up at Lahad Datu Airport and transferred by road to Tabin Wildlife Reserve (approx. one and a half hours drive). Check into the lodge at Tabin Wildlife Resort, nestled within the rainforest. The lodge comes complete with private veranda, air conditioner, ceiling fan and hot water shower in the forest. Explore the vicinity of the resort and be pleasantly surprised by the abundance of bird life. The open-sided Sunbird Café & Hunter's place is surrounded by greenery and flowering plants which attract a number of brightly coloured birds. Be entertained by the melodious calls of birds nearby. A bird hide facing the flowing Lipad River is available. In the afternoon, depart for birding along the Core Road where you will most likely be able to spot one or more of Borneo's eight species of **hornbill** such as the **Black, White-crowned, Rhinoceros, Wreathed, Oriental Pied, Bushy Crested, Helmeted and Wrinkled Hornbill** either flying in groups across the sky or in pairs perching on bare branches.

After dinner, enjoy a **CD/Slide presentation** on Tabin's natural wonders, followed by a **night safari** to look out for nocturnal wildlife and birds. Remember to look up at the clear, dark sky of Tabin, identify the constellation above you and make a wish or two.

DAY 2 - TABIN NATURE RESERVE (Breakfast, Lunch, Dinner)

After an early breakfast, depart for the active **Lipad Mud Volcano**. The soccer field-sized Lipad Mud Volcano serves as a mineral salt lick for wildlife. After trekking through the rainforest for 20 minutes, arrive at the elevated bare area of the **mud volcano** which is frequented by **wildlife and birds**. A nearby fig-tree is a busy feasting place for hornbills and other birds and primates during the fruiting season. Across from the **observation tower**, bare branches of towering trees are favourite perching place for Green Imperial Pigeons and Doves. Try to identify the multitude of animal footprint. The adventurous can try the effects of the volcanic mud, said to be responsible for a fine complexion.

In the afternoon, try out the Tabin Rainforest **Foot Soak** made with a natural blend of herbs, to relax tired muscles after long jungle treks. In the evening, join the **dusk drive** to look out for more nocturnal bird coming out to look for food during this time of the day.

After dinner, go for a **night walk** to discover more nocturnal bird species in the nearby trails.

DAY 3 - TABIN NATURE RESERVE (Breakfast, Lunch, Dinner)

After an early breakfast, you will depart for birding along the road leading to the core area stop over and climb up the birds **watching tower**. The fully regenerated secondary forest with its relatively lower canopy and good natural light provides a delightful birding experience. The incredible rich forests also offer good mammal watching opportunities.

In the evening, take a drive to **bird** along the Tomanggong Road and expect to see more species of birds.

DAY 4 - DEPARTURE (Breakfast, Lunch)

After breakfast, take a trip to **Tomoggong** to discover more mouth-watering collection of Borneo birds in the areas. Lunch and then depart from Tabin Wildlife Resort.
