

IN SEARCH OF WILDLIFE DAY TRIP

DTS KK018

Sample Itinerary

- 1330hrs** Pick up from your Kota Kinabalu city hotel lobby.
- 1600hrs** Upon arrival to the River Lodge, high tea will be served.
- 1700hrs** Go onboard for an hour river cruise in this red river (effect of tree's tannins) surrounded by mangrove trees. Proboscis Monkeys can be spotted most of the time on top of the trees feeding on young leaves, shoots, sour fruits and seeds. Among others, you will have the opportunity to observe Macaque, the rare Silver Languor, and variety of bird species. You may also witness sunset while cruising back to the river lodge.
- 1800hrs** Upon arriving back at the lodge, dinner is served in buffet line to satisfy your hunger after the river cruising.
- 1830hrs** After dinner, go onboard for second cruise to catch the glimpse of Fireflies decorating the mangrove trees like a Christmas tree. Afterwards, it's time to head back to Kota Kinabalu.
- 2200hrs** Estimated time of arrival back in Kota Kinabalu.
